Just Us
RETIREMENT SOLUTIONS

A Dental Provider's Partner in Patient Care

We help your patients find dental health plans that meet their medical and financial needs, and avoid disruption to oral care by ensuring their preferred providers are in the dental plan's network.

A Collaborative Approach to Community

We have established a network of continuous care partnerships to bridge the gaps in health, wealth, retirement and aging-in-place. Our network offers your patients access to over 40 esteemed West Virginia organizations.

Reinventing Care for Your Patients

We go beyond traditional insurance services, offering personalized guidance, empathetic care, and continuous support.

With us, your patients find a trusted partner dedicated to their well-being, ensuring their futures are secure.

We believe in the power of connection & knowledge and offer ongoing educational seminars throughout West Virginia.

We act as a resource hub and connect your patients with caregiving, aging-in-place, and other retirement resources.
