## A Disability Attorney's Partner in Client Care

We help your clients find health plans that meet their medical and financial needs, and avoid disruption to care with a comprehensive protection plan.

Every step of the way, we ensure your clients are enrolled in affordable health care options including \$0 premium individual health plans and support the transition to Medicare once they've been approved for disability.

## A Collaborative Approach to Community

We have established a network of continuous care partnerships to bridge the gaps in health, wealth, retirement and aging-in-place. Our network offers your patients access to over 40 esteemed West Virginia organizations.

## Reinventing Care & Support For Your Clients

- ✓ Lower monthly insurance premiums
- ✓ Limit patient out-of-pocket expenses
- ✓ Support a successful & healthy rehabilitation
- ✓ Avoid disruption to coordination of care
- ✓ Prescription medication coverage
- ✓ Short-Term & Long-Term Disability coverage

We go beyond traditional insurance services, offering personalized guidance, empathetic care, and continuous support.

We believe in the power of connection & knowledge and offer ongoing educational seminars throughout West Virginia.

With us, your patients find a trusted partner dedicated to their well-being, ensuring their futures are secure.

We act as a resource hub and connect your patients with caregiving, aging-in-place, and other retirement resources.
